DEAR URI,

On behalf of all of us at Save a Child's Heart (SACH), we would like to thank you for your generous donation which will help us continue to provide lifesaving surgery and treatment to children from low- and middle-income countries.

To date Save a Child's Heart has saved nearly 6,000 children with heart defects from 62 countries and has trained over 135 medical personnel from developing countries, who have saved countless more.

Only with the continued help of supporters can Save a Child's Heart treat more children, train more medical personnel, and save more children's lives.

With your generosity and ongoing medical care provided by SACH, we can be a source of hope for more children and their families in the future.

"To Save One Life is to Save a World."

Thank you for being a wonderful Goodwill Ambassador and a generous partner in our efforts.

We look forward to your continued support in the future.

Kind Regards,

SIMON FISHER, ADVOCATE
